STUDY INVITATION

WOULD YOU LIKE TO HELP IMPROVE BEREAVEMENT SUPPORT FOR OLDER PEOPLE?

The Melbourne Ageing Research Collaboration, led by the National Ageing Research Institute, is conducting a research project on grief and its effects on quality of life and healthcare use in older people.

To participate, you need to be:

a) Aged 65 years or older.
b) Currently living in Australia.
c) Able to read and write in English.
d) Have experienced the death of a significant person in your life at least 6 months ago or longer.

To participate in this study, we invite you to

Complete a 25-Minute Survey

The survey can be accessed online via this link:
https://bit.ly/grief-survey

If you prefer a paper-based version, please leave us a message with your name and address and we will post a survey to you:

Dr Katrin Gerber at the National Ageing Research Institute
Telephone: 03 8387 2662 - E-mail: k.gerber@nari.edu.au

All participants who return a completed survey enter into a draw to **win one of five $200 Coles-Myer gift cards**.

This study has been approved by the Human Research Ethics Committee of Deakin University (Reference Number 2019-433).
