German WWII Internees from Persia and their Fate in Australia

Exhibition

Saturday 4 March to Sunday 5 March, 2023

Soldiers Memorial Hall, Barwell Ave, Barmera SA 5345

The exhibition investigates the role of tangible heritage (family photo albums, personal diaries, letters, and arts of the camp) in the life and resettlement of German civil internees and prisoners of war from Persia (Iran).

The overarching argument of this project is the multifaceted role and multifunctional usage of the tangible and the intangible heritage of migrants as coping strategies during harsh life experiences such as deportation, imprisonment, forced migration and resettlement.

The Loveday Internment Camp collection from the Barmera District War Memorial Community Centre will also be on display.

Entry is free and the exhibition will be open from 9am to 5pm on Saturday 4 March and Sunday 5 March.
